Dr Sir Enclosed
I send you what I take to be an
Alligator scale, and I correct a
Dog in scratching for a rat on a
side hill up a spring branch about
a mile from the Mississippi river
dug up probably a hundred or
more all sizes from very small up
to this size. Could you favor me with
a list of private and public
Archaeological & Geological collectors
I have some very fine specimens
of Pentonites which I wish to dispose
of will send you a set if you
desire.
Yours Respectfully
Geo R De Meier
